## FRAUSCHER 1414 DEMON

An extraordinary 46 foot offshorer that completes the unique Frauscher design with a perfect living space for a weekend trip. The 1414 Demon combines the key Frauscher design DNA: flat bow with vertical stem, tinted and frameless windshield, air inlets in carbon. The 1414 Demon provides lots of living space: a relaxing lounge atmosphere with a large bathing platform, a well garnished outdoor galley, a uniquely designed interior with enough headroom, a spacious bathroom, a kitchenette, a large sitting area and a sleeping accommodation up to four people.
