BEAM	3.88 [m] - 12.73 [ft]	DRAFT	1.03 [m] - 3.38 [ft]
ENGINES	2 x MAN R6 - 800 mhp	CRUISING SPEED	36 [kn]
MAX SPEED	41 [kn]	N° GUEST CABIN	1
N° CREW CABIN	1	N. TOILETS	1
DISPLACEMENT	15,540 [kg]	ON DISPLAY AT/IN	Mallorca
COUNTRY	Spain	FLAG	Swedish
ASKING PRICE	780,000.00 [euro]	VAT STATUS	Paid

Technical information

Engines hours	314
Trasmissions	Shaft Drive
Main generator	6.5 kW 230 V 50Hz with soundproof box, exhaust gas and cooling water separator
Main generator hours	252
Fuel tank	1450 lt
Water tank	200 lt
Charge batteries	Yes
Inverter	Yes

Description per area

General description

HEATHERSTREAM is one of the world's most beautiful 40 knot sports cruisers, its dazzling finish is so beguiling, its lines so perfectly balanced that it defies belief that anyone could have designed something so beautiful. This impressively engineered 44ft (13m) beauty is brimming with exquisite, practical detailing, designed to make life on board as easy as possible. HEATHERSTREAM offers plenty of sturdy handrails, extra spring cleats and a sophisticated electronically controlled bimini that hinges beneath the deck mouldings when not in use. If you had been a motor boat designer, this is perhaps what you would have come up with.

Layout

The layout is simple, yet elegant. The entire below-decks living area is for the exclusive enjoyment of the owner. Forward, there was a double berth with reading lights and an array of beautifully crafted drawers. Amidships and to port, hidden from view, is a refrigerator, cooktop, microwave oven and stainless steel sink, with adjoining cupboards and upholstered drawers loaded with cutlery, pan set, and a china for four all emblazoned with the Riva logo. To dial it up another notch, a "champagne cooler" comes as standard, which is a deliciously decadent feature. For the Crew there is a single-berth, single-head stateroom accessed via a cockpit hatch.
