Main generator hours	5500
Second generator	Kohler 27kW
Second generator hours	5500
Fuel tank	8700 litres
Water tank	1320 litres
Charge batteries	Yes
Inverter	Yes

Description per area

General description

Riva has achieved quite a feat with the new 90 Argo, creating a high-speed superyacht with a main-deck owner's suite, that's just 90ft long. That makes it uniquely attractive to owner-drivers, as it's well within the size limit to be driven without a master's qualification. This is the ultimate owner-driver's superyacht.

BROKERS COMMENTS "The owner of NOI is an experienced yacht owner, with a dedicated and extremely professional crew. Having personally inspected M/Y NOI, I would encourage a viewing. She is in immaculate condition and currently undergoing routine maintenance to demonstrate her pedigree."
