Gucci

A close-up photograph of the front fender of a white luxury car. The car's body is highly reflective, showing a distorted, wavy reflection of the sky and clouds. A chrome trim piece runs along the top edge of the fender. Below the trim, the word 'AQUARRIVA' is embossed in a clean, sans-serif font. Below that, the 'Gucci' logo is prominently displayed in its signature cursive script, rendered in a metallic finish. To the right, a portion of the front grille is visible, featuring the classic 'Triumph' grille design.
