## Description per area

---

### General description

Sleek yet imposing, the Pershing 8X commands attention on the open waters with its aerodynamic profile and muscular stature. Twin 2638 horsepower engines propel this Italian thoroughbred to a blistering 48 knots so that the sea itself blurs to abstraction. Step inside to find exquisitely stitched leather, carbon fibre trim and a hi-tech entertainment suite framed by expansive windows. With a range of over 300 nautical miles between refuelling, the possibilities for adventure are endless aboard this pinnacle of luxury and performance. Both a paddock and a palace, the 8X realises fantasies on every horizon. **BROKER'S COMMENTS:** "In immaculate condition, a 'must-see' yacht, fully serviced and crew maintained. Performance and precision, this is what M/Y SURVIVOR OF LONDON offers in abundance."
