Description per area

General description

The Darwin 96 superyacht, built by Cantiere delle Marche in 2013 (refit in 2020), epitomises Italian craftsmanship and engineering prowess. This 29.5-metre explorer yacht boasts a robust steel hull and an aluminium superstructure, ensuring durability and stability in almost any sea conditions. The design, a collaboration with Hydro Tec, marries functionality with luxury, featuring spacious interiors and elegant decor. Accommodating up to 10 guests in five lavish cabins, the Darwin 96 offers an inviting atmosphere complemented by state-of-the-art amenities.

The yacht's expansive deck areas provide ample space for relaxation and entertainment, while advanced navigation and safety systems ensure a seamless voyage. Powered by twin MTU engines, the M/Y 3D delivers impressive performance, capable of long-range cruising with ease. This superyacht is a testament to Cantiere delle Marche's commitment to creating vessels that blend aesthetic appeal with practical functionality, catering to the adventurous spirit of modern yacht enthusiasts.

Notable features:

- Accommodates 10 guests in four well-appointed staterooms
 - She boasts comfortable and elegant interiors
 - Unique opportunity for an exceptional pocket explorer yacht
 - Spacious decks for relaxation
 - 3D has stabilisers to ensure the comfort of those on board
-

Optional list
