Inverter	Yes

Description

The 2013 Riva 63 Virtus M/Y ARORA is a stunningly maintained, British-registered yacht currently located in Mallorca. With only 1115 engine hours, she is in impeccable turn-key condition, according to broker comments. In 2021/22 and 2024, the owner invested nearly €500,000 in a comprehensive refit and maintenance program, ensuring that every aspect of the vessel is as close to perfect as possible - some might say even better than the original design. The yacht combines Riva's classic style with cutting-edge features, offering luxurious open-air living spaces and exacting performance. M/Y ARORA is a perfect choice for those seeking a beautifully equipped, sleek and elegant cruiser, ready for immediate use without further investment.

BROKER COMMENTS: "Rarely do we see a motor yacht of any age (and of any pedigree) which we would give a 9/10 rating. This is one of those rare gems that will appeal to a detail orientated, discerning buyer. Impeccable condition."
