## Description per area

---

### General description

The Chaser 54 Laguna M/Y PRIMERO is a beautifully maintained, high-performance day boat that blends luxury with practicality. Powered by twin Mercury V12 600 hp engines, it cruises comfortably at over 40 knots with a top speed exceeding 50 knots. Customised to the owner's preferences, it features a portside fold-down terrace, a spacious U-shaped sofa, an extendable aft sunbed, and a galley with three fridges and an ice maker. The open cabin includes a full bathroom, with a forward locker convertible to a bed. Built in aluminium with 20 layers of paint, it's lighter, quieter, and easier to maintain—perfect for stylish, effortless cruising.

BROKER'S COMMENT: After a fantastic day aboard the Chaser 54 Laguna, I can say it's a rare gem—modern, efficient, and beautifully built in aluminium. With top materials, smart features, and clean Dutch design, it's a stylish performer and a smart choice for those who value quality and individuality .
