LAYOUT:

LAZIZA features a well-proportioned layout designed for comfortable extended cruising. The main deck hosts a bright saloon with formal dining and seamless access to exterior decks, while the raised pilothouse provides excellent visibility and operational separation. Accommodation includes four en-suite guest cabins, highlighted by a spacious full-beam master suite. The remaining guest cabins are arranged below deck, offering privacy and practicality. Wide side decks allow safe circulation throughout the yacht. The flybridge serves as a key social area, complete with lounge seating, bar and sunbathing space. Separate crew quarters ensure discreet service and smooth onboard operations.

BROKER COMMENTS:

M/Y LAZIZA presents a compelling opportunity in the 80-foot steel displacement segment. Her recent 2022–2023 refit, combined with continuous professional maintenance by a full-time captain, ensures she is offered in excellent condition. The steel hull construction, raised pilothouse design, and generous flybridge volumes make her particularly attractive for serious cruising. For buyers seeking pedigree, strength and comfort in a well-proven Benetti platform, LAZIZA represents strong value.
