YACHT DESCRIPTION:

Architect:	Javier Jaudenes (Surge Projects)	Material:	GRP
Internal Furniture:	Natural Oak	External Hull Colour:	Aetna Blue

S/Y KING CHARLES III is a Y8 that captures the core philosophy of YYachts: performance sailing without complexity. Developed by Javier Jaudenes, she combines a lightweight carbon structure with a powerful yet easily managed sail plan, delivering efficient, fast cruising with minimal crew. Her clean deck layout and advanced systems are designed for simplicity, while below deck, a calm and contemporary interior by David Thulstrup offers a refined living environment. Configured for both private cruising and extended passages, she presents a balanced, highly capable yacht for an owner who values usability, design clarity and genuine sailing performance.

LAYOUT:

The layout accommodates up to eight guests across four cabins, arranged to maximise both privacy and usability. The owner's suite is positioned forward, offering generous volume and a well-integrated en-suite. A VIP cabin and two twin guest cabins complete the accommodation, all with private bathrooms. The main saloon is open and understated, combining lounge and dining areas in a single, cohesive space connected directly to the cockpit. Crew accommodation for two is located aft with independent access, ensuring operational separation. Circulation throughout the yacht is efficient and intuitive, supporting both relaxed family use and more structured cruising.

BROKER COMMENTS:

The YYachts Y8 "KING CHARLES III" is a true standout. Commissioned by her original and only owner - an experienced yachtsman with a keen eye for detail - she was designed and built to combine quiet sophistication with genuine sailing performance. Since delivery, the yacht has been meticulously maintained with a full-time captain and professional guardianship. Every element of this yacht speaks to understated luxury - clean lines, a contemporary interior and an emphasis on performance sailing without complexity. KING CHARLES III offers a unique opportunity for a discerning buyer who values both sailing pedigree and refined comfort.
